Preamble

"ਵਿਦਿਆ ਵੀਚਾਰੀ ਤਾਂ ਪਰਉਪਕਾਰੀ"

"Fifty years have passed since we embarked on our engineering odyssey, yet the connections forged during those formative years remain strong. This souvenir commemorates the golden jubilee of our passing out, highlighting the power of friendship, collaboration, and shared experiences. It serves as a testament to the enduring bonds that transcend time and distance."

Foreword

As we gather to celebrate the golden jubilee of our engineering graduation, we reflect on an extraordinary journey that began 50 years ago in July 1970. Four transformative years at our alma mater shaped us into compassionate professionals, innovative thinkers, and lifelong learners. Over the past five decades, our batchmates have achieved remarkable success in various fields, making us proud. Their contributions have had a profound impact on society, inspiring future generations. We honor their achievements, dedication, and perseverance.

We also pay heartfelt tribute to our departed batchmates, who left an indelible mark on our lives. Their memories, wisdom, and friendship continue to guide us.

We express deepest gratitude to our revered teachers and guides, who nurtured our potential, instilled values, and empowered us to excel. Their selfless dedication played a pivotal role in shaping our careers and character.

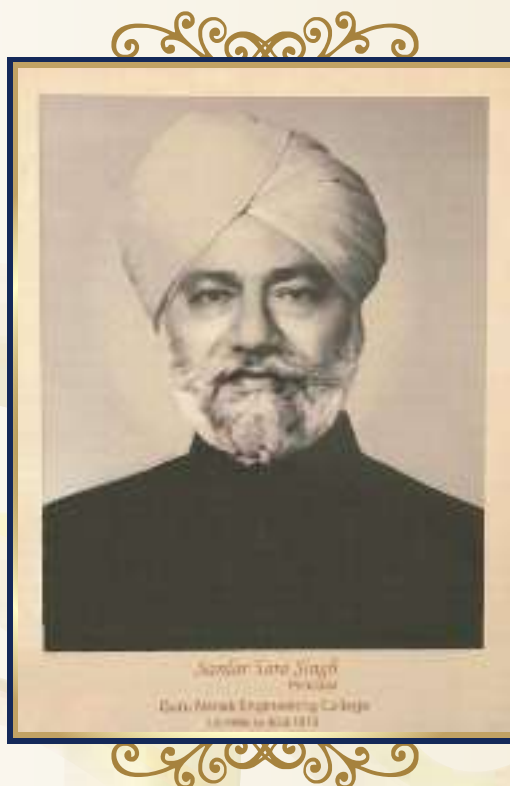

This souvenir serves as a tribute to our collective journey, honoring the faculty and mentors who inspired us, the challenges we overcame, and the achievements we celebrate today. It is a reminder of our shared history and the enduring legacy of our alma mater.

To all our classmates, as we turn the pages of this commemorative piece, may it evoke cherished memories and reaffirm our commitment to staying connected. Here's to the friendships that have enriched our lives, to the paths we have carved, and to the future we continue to shape.

Thank you for being an integral part of the incredible journey. Together, let us celebrate the past and embrace the future with enthusiasm and optimism.

- Arun K Verma (Elec. 74)

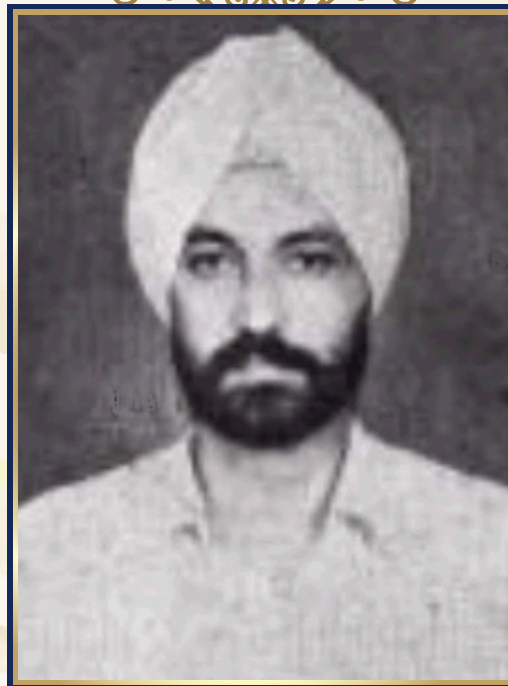

PRINCIPAL TARA SINGH RANDHAWA

B.Sc. Engineering Hons. (London) M.&E.E., M.I.E.
Former Director and Principal GNE College, Ludhiana

Ph.D. (Non-Conventional Machining)
I.I.T. Roorkee
Principal, GNDE College, Ludhiana

I am extremely delighted to note that the 1970-74 batch of our college is celebrating its Golden Jubilee on 23 rd November 2024. I appreciate the initiative being taken by the team in reaching out to all its batch mates and creating this prestigious document.

I also take this opportunity to inform you that this institute has consistently maintained its tradition of excellence in the field of technical education till date and will continue make efforts to become one of the best insituttes in the country. To achieve this goal, I seek active contribution from the alumni.

I sincerely wish all the success to the Golden Jubilee celebration of your batch.

- Prof (Dr.) Sehijpal SinghPrincipal

Home Coming

As we return to the place that shaped our futures and forged lifelong friendships, we celebrate not just the passage of time but the incredible journey we've shared over the past 50 years. Guru Nanak Engineering College was more than just an institution, it was a launching pad for our dreams and aspirations, a community that nurtured our potential and challenged us to grow.

This golden jubilee is a moment to reflect on the countless memories we created within these walls each lecture, each project, and each late-night study session that brought us closer together. It's a time to honor the faculty who guided us, the friends who supported us, and the experiences that defined our paths.

As we gather once more in this cherished space, let us celebrate the achievements we've made and the bonds that have endured the test of time. May this souvenir serve as a lasting reminder of our shared history, our collective successes, and the friendships that will forever hold a special place in our hearts.

Here's to the memories we cherish, the challenges we've overcome, and the good time that lies ahead. Welcome home, dear friends!

- Gurmit Bhalla (Elec. 74)

GURPREET SINGH GILL

Branch : Civil
Roll No. : 51
Spouse : Jaswinder Kaur Gill
Address : # 4, Navratan Kunj, Dhamu Majra Road,
Patiala 147005
Country : India
Mobile : +91 98763 44058
E-mail : S.gurpreetgill@outlook.com

Family Details: My better-half is a house-wife. My son Anhad Singh Gill had completed M.Tech. (structures) from Thapar University, Patiala. He started his career as Assistant Professor in Civil Engineering at Punjabi University, Patiala. Part-timely he has completed his doctorate in Civil Engineering from Thapar University, Patiala. My Daughter-in-law Jasdeep Kaur completed her doctorate in Commerce (Banking) recently from Punjabi University, Patiala. My daughter Sukhmani Kaur is settled in U.S. as dentist.

Journey so far: After passing out from GNEC in 1974, I joined M.E. course at Punjab Engineering College, Chandigarh. After that I started my career as J.E. in Municipal Corporation Ludhiana. After a brief spell of time, I joined Punjab irrigation department in the year 1978. I served in the various capacities in all the wings of the department. Keeping myself in a low profile, I always tried to give my best. Resultantly, with God grace, where I remained in good books of my senior, simultaneously I enjoyed an excellent QR from my juniors as well as public I met with. Ultimately, I, with full satisfaction, retired as an Executive Engineer in the year 2006. After retirement I served in a private company for three years, who was looking after the quality control of the irrigation works. I also served in Talwandi Sabo Power Plant, Banawali (Mansa) for two years. Now-a-days, I got back connected to my village for social and educational activities upliftment.

ASHOK K RAMBANI

Branch : Civil

Family Details: After many years of professional work, my wife, who was a school teacher, and I have retired and are now enjoying our golden years together with our family. We have two wonderful sons who have made us proud in their respective careers. My elder son holds a B.Tech degree along with an MBA and is currently working in an NGO in New Delhi. His wife is a Public Relations Manager, and they are blessed with two lovely daughters. My younger son graduated from GNE, Ludhiana in 2008 with a degree in ECE and then went on to pursue his MBA. He is now working in an IT company, and his wife is also an IT engineer. They have a daughter who is the apple of our eye. Watching them grow up into responsible individuals is a joy that cannot be put into words.

Journey So Far: I served in Coal India Ltd. at Dhanbad, where I was posted in coal washeries supplying coal to steel plants and thermal plants. Although life in the coal industry is hard, it was an adventurous journey that taught me invaluable lessons. I had the privilege of retiring as Chief Manager in Nov, 2011. Those were the days when work defined my life, but now I can proudly say that family is my top priority.

Present engagement: After retirement, I found my passion for Hindi film music and sports. I try to attend events related to these passions whenever possible. I also express my views on current topics in newspapers. Being retired has given me the opportunity to spend quality time with my loved ones, especially my grandchildren, who bring immense joy to our lives.

CHANDER NARULA

Branch : Electrical
Roll Number : 281
Spouse : Suman Narula
Address : 32123 Goddard Drive, Wesley Chapel (Tampa),
Florida 33543
Country : USA
Mobile No. : 1-770-519-9085
Email address : cnarula@hotmail.com

Family Details: *We have Two children. My son is married, has two children and is a medical doctor. My daughter is married, has three children and is a medical doctor. My wife has a busy life at home, raising the third person 'Chander' who refuses to grow up*

Journey so far: *I have spent most of working life in the food industry in Canada and USA. Finally I did retire as a Chief Engineer in 2014. My job took me to Ottawa, Toronto, Philadelphia, Battle Creek and Atlanta. I have had a couple of major health challenges but came out of all, rather well.*

Present engagement: *Since 2014, I am enjoying my retirement with my wife in our own home and live within 10 minutes drive from our son's home. Plenty of visits to see grand children in New Jersey too.*

Dr ARBANS SINGH RANDHAWA

Branch : Electrical
Roll Number : 285
Spouse : Gurvinder Kaur Randhawa
Address : H. No. 67 Z, Block B, Raj Guru Nagar,
Ferozepur Road, Ludhiana
Country : India
Mobile No. : 9646109798
Email address : hs_randhawa2006@yahoo.com

Family Details: Spouse: Home maker. Son: Mr. Karanbir Singh Randhawa, a Civil Engineer with PhD, working as a Professor in Punjabi University Patiala. Daughter: A dentist by profession but left college job and turned home maker now. Daughter in law: Parneet Kaur, again a civil engineer and working as XEN/Executive Engineer in PWD B&R Punjab Govt.

Journey so far: After graduating from GNEC in 1974, joined PSEB (now PSPCL) as an Assistant Engineer/SDO in 1976. Worked there for almost 34 years and retired as Chief Engineer in 2010. Immediately after retirement joined one Private Technical College (Katani Kalan near Ludhiana) as Principal. Completed Doctorate/PhD on "Solar Power" from PTU while working as Principal. Served there for almost 12 years and re-retired in 2022.

Present engagement: Now free and relaxing at home. Thankful to Almighty God for His all blessings.

Special Highlights: Nothing special; but longed to join politics since childhood but could not succeed.

Epilogue

After five decades, the class of 1974 has returned to their beloved alma mater, Guru Nanak Engineering College. The renovated College Gateway, Hallways, Auditorium, Playgrounds, Hostels, and Clubs welcome us once more, yet the memories of our four pivotal years remain vivid and eternal.

As we close this golden jubilee commemoration, we reflect on the incredible journey shared by our 1974 engineering cohort. This souvenir captures merely a glimpse of our collective achievements, memories, and experiences. May it serve as a testament to the unbreakable bonds formed during our formative years.

Throughout this celebration, we have reminisced about the challenges we faced and triumphs we achieved, both in our personal and professional lives. Each story shared and each photograph recalled, is a testament to the resilience and spirit that define our class of 1974. We have witnessed the evolution of technology and society, yet the core values instilled in us during our time at college curiosity, collaboration, and integrity continue to guide us. As we move forward, let us cherish the connections we've maintained and the new memories we create together.

Thank you for being part of this remarkable journey. May we continue to inspire one another and uphold the legacy of excellence that our alma mater represents. Here's to the next chapter may it be filled with even more accomplishments, friendships, and unforgettable moments.

The class of Genco-74 gathers and parts once more, bound by friendship and the joy of reuniting at this cherished institution. We look forward to future meetings, whether in smaller groups or grand reunions.

Thank you, GNEC! You made us who we are!

*- Ajit K. Saini (Elec. 74)
- P S Gill (Elec. 74)*

Credits

This Souvenir of Golden Jubilee meet of batch 1974, is proudly presented to you by the organizing committee.

- Er. Arun Kumar Verma (Electrical)*
- Er. Gurmit Singh Bhalla (Electrical)*
- Er. Ajit Kumar Saini (Electrical)*
- Er. P.S. Gill (Electrical)*

We are extremely grateful for the help and support extended to us by our batch mates without whom this souvenir book would never have seen the light of the day.

Data Compilation, and content editing

- Er. Tarjit Singh Lally (Electrical)*
- Er. K. Lal Thakor (Electrical)*
- Er. B.P.S. Gill (Mechanical)*
- Er. G.S. Kang (Civil)*
- Er. Gurinderjit Singh (Electrical)*

And finally of course, thanks to the batch mates from all the three branches who have come forward to support the Golden Jubilee celebrations with a Bang.
