President

Minutes of Meeting – Guru Nanak Engineering College Alumni Association (GAA)

GAA President, SMS Sandhu, chaired a meeting on the college campus, attended by GAA, Vice President Er. Kulwant Singh Sandhu, Principal Dr. Sehajpal Singh, General Secretary, Finance Secretary (GAA), and all Heads of Departments (HODs).

The primary agenda was to advance the finalization of projects for the next 5 to 10 years concerning our alma mater. We sincerely appreciate the Principal and HODs for presenting the Vision Document, outlining key development initiatives. Approximately 20 projects were discussed in detail, and responsibilities were assigned to HODs for preparing preliminary cost estimates. The HODs committed to submitting these estimates within two weeks, enabling a final decision in the upcoming GAA meeting. The meeting proved to be highly productive.

Additionally, Ma'am Mrs. Bhawna, representing CA [Chartered Accountant] Gary Jain and Associates, addressed matters related to fund disbursement procedures for project execution, along with proposed amendments to the GAA Constitution to facilitate FCRA registration. Discussions also included strengthening alumni chapters across India and internationally. Ma'am Mrs. Bhawna was requested to submit formal proposals for finalization in the next GAA meeting.
