Preamble

ਨਦੀਆ ਵਾਹ ਵਿਛੁੰਨਿਆ ਮੇਲਾ ਸੰਜੋਗੀ ਰਾਮ ॥
ਨਦੀਆ ਵਾਹ ਵਿਛੁੰਨਿਆ ਮੇਲਾ ਸੰਜੋਗੀ ਰਾਮ ॥

*The rivers and streams which separate may
sometime coalesce again by divine providence.
(Guru Nanak Dev Ji, Raga Asa)*

*"Strangers we once met,
Friends we departed,
Friends we meet again"*

Foreword

Our story began over half a century ago, in the summer of 1967, at a place that we will call home for four years. A home, where we came to learn the profession of Engineering, make friends and prepare ourselves for a prosperous and rewarding life.

We are now coming together once again for a milestone, the 50th anniversary of our graduation. We are very proud of our alma mater, the Guru Nanak Dev Engineering College Ludhiana, and hold it in high esteem for the professional, ethical and real life education we received at this institution.

We departed as friends and hoped to reunite again to be inspired and invigorated by the spirit and values of the class of 1971 and the faculty that we cherish as a family. Some of us have been called upon by the Almighty too soon and today their presence is in our heavy hearts.

This souvenir is a testimonial to recognize and reconnect friends, scattered throughout the world and engaged in a wide variety of occupations, professions, civic enterprises, serving the country and society in various capacities and reflect on their experiences and journey through life.

Karam S. Burn (Mech-71)

PRINCIPAL TARA SINGH RANDHAWA

Sardar Tara Singh
Principal
Guru Nanak Engineering College
1.6.1956 to 30.9.1970

Sardar Tara Singh Randhawa

M.A. in many subjects
Former Professor of Humanities
Guru Nanak Engineering College, Ludhiana

Messages

PROF. HARI SINGH

B.Sc. Engineering (Electrical)
M.Sc. Engineering (Electrical)

Former Principal of
Guru Nanak Dev Engineering College,
Ludhiana

Message

I am happy to avail this opportunity to present my message on the Golden Jubilee Celebration of our prestigious alumni of 1967-71 Batch. With their best efforts, this batch has shown tremendous progress in their career at both levels. They have put their best to brighten the name of their alma mater.

I congratulate the entire batch for coming to the alma mater on this remarkable occasion. We do wish that God may bless all of you with good health for serving the society with missionary zeal.

I am sure that this great institution will strive ahead to touch the new heights.

Prof. Hari Singh

**PROF. MALWINDER JIT SINGH
WARAICH**

M.A. in many subjects
Former Professor of Humanities
Guru Nanak Engineering College,
Ludhiana

Message

It gives me immense pleasure to know that the graduating class of 1971 is coming home to celebrate their Golden jubilee. It is a matter of great pride that the students of this institution, Guru Nanak Dev Engineering College, go out of the tender hands of their parents and teachers to fulfill their dreams and lead a practical life with professional ethics, honesty, hard work and wisdom. And doing so, nothing stops them from reaching the top of their profession and service to the community.

Best wishes for a retirement life after a job well done and maintaining the highest standards and traditions of the Alma Mater.

Prof. Malwinder Jit Singh Waraich

DR. RANDHIR SINGH SEEHRA

B.Sc. Engineering (Mechanical)
Panjab University
M.Sc. Engineering (Mechanical)
Ph.D. Engineering

Former Principal of
Guru Nanak Dev Engineering College,
Ludhiana

Message

My heartiest congratulations to young (in 1971) engineers present in old form today on the celebration of Golden Jubilee in the pleasant environment on college campus. Meeting each other after a long separation of 50 years is a rare moment of enjoying with old classmates while sharing life achievements.

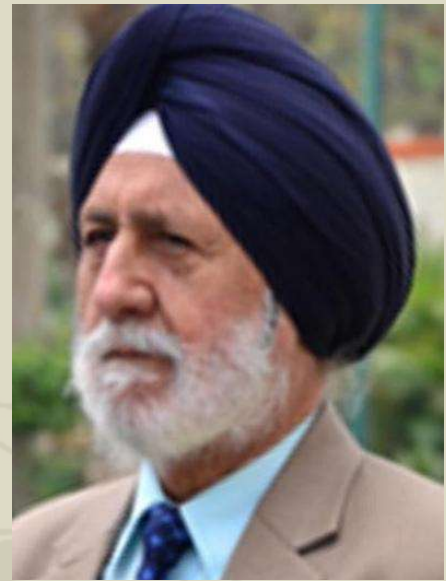

Lucky ones you were to get admission in 1967 in Guru Nanak Dev Engineering College, Ludhiana; a National level centre of education where technical education is imparted with Guru Nanak's Doctrine - 'Honest labour emanates Wisdom and Goodness'. Guru jee's 500th Birth Anniversary in 1969 during your coursework was a blessing that elevated your spirit of learning for earning through professional wisdom.

It will be my pleasure to meet you all along with family members during grand celebration function. Looking forward to share your interesting experiences as a successful engineer and good citizen. Best wishes for maintaining good traditions of the College in celebration of Golden Jubilee.

Dr. R.S. Seehra

DR. DILBAGH SINGH HIRA

B.Sc. (Mechanical Engineering) Panjab University
M.Sc. Engineering, Panjab University
Ph.D. (Manufacturing Sciences) I.I.T. Roorkee
Ex-Professor, Guru Nanak Dev Engg. College, Ludhiana
Ex-Principal of GZS College of Engg. & Tech., Bathinda
Ex-Principal of BBSB Engg. College, Fatehgarh Sahib
Ex-Director of other reputed Engg. Colleges in Punjab
Former Vice Chancellor of
Guru Kashi University, Talwandi Sabo, Bathinda

Message

My Dear Genconians of 1971 batch:

It is a great pleasure to know that you are celebrating the Golden Jubilee of your passing out from your alma mater, the great Guru Nanak Dev Engineering College, Ludhiana. I had the opportunity of being very closely involved with your class, not only as a teacher in the class but also in the extracurricular activities. I clearly remember how I enjoyed your company during the tour to Bhakra Dam, a short tour to Agra and then a long tour to Kolkata, Chennai, Bombay and Goa. Really yours was a wonderful group of students and you have proved to be a wonderful crop of Engineers, which have shown excellent performance in their professional life.

The Golden Jubilee is a pious occasion to relive a day or two of the youthful college days. A nostalgic day of hugs, hugs and hugs! I have been through this delightful experience. I am sure that your re-assembling in the alma mater will be a hilarious event, which you will relish throughout the remaining life.

With kind regards and best wishes to you and your families,

Dr. Dilbagh Singh Hira

DR. RUPINDER PAL SINGH

B.Sc. Engineering (Mechanical)
Panjab University
M.Sc. Engineering (Mechanical)
Ph.D. Engineering

Former Principal of
Guru Nanak Dev Engineering College,
Ludhiana

Message

I take pride in presenting my message on the eve of Golden Jubilee Celebration of our proud alumni of 1967-71 batch. I have observed that this batch have shown remarkable progress in their professional career at national as well as global level. They have contributed a lot to the society. They have put their best to brighten the name of their alma mater.

In the capacity of my ex-administrative position as well as alumnus capacity, I felicitate the entire batch for taking this initiative of revisiting their alma mater on this memorable occasion. We pray that Almighty may bless all of you with good health and spirits for serving the society with missionary zeal.

With your support and best wishes, I am sure that this great institution will definitely progress to achieve extreme heights and establishing milestones.

Dr. R.P. Singh

DR. HARKIRAT KAUR GREWAL

B.Sc. Engineering Hons. (Electrical) Panjab University
M.Tech. (Automatic Control and Servomechanisms)
University of Roorkee
M.Tech. and Ph.D. (Elect. & Computer Engineering)
McMaster University, Hamilton, Canada

Former Principal of
Guru Nanak Dev Engineering College, Ludhiana
President (status quo ante) Genco Alumni Association

Message

It is my profound privilege to occupy some space (and time) in your most valuable Golden Jubilee Souvenir on the request of the organizers who even today maintain the same picture of mine as a Final Year Electrical Engineering student.

Time gets frozen and I'm reminded when I started taking your practical and Tutorial classes. I could see several promising engineer buds who could take GNE to further heights. As Newton mentioned, "If I have seen far, it is because I stood on the shoulders of Giants". He meant Galileo but I'm pointing at your class - made me realize to become a better teacher I should not lose time and pursue higher studies and, certainly return.

This message is intended only for thanking all of you, the respect you gave me and have been reviving it from time to time. I congratulate you for being recognized in India as well as abroad owing to your good quality education, sincere hard work and dedication. It definitely delights me to arrive at the 50-years celebrations.

Once again I thank you for providing me sufficient strength to keep our alma mater embraced till my retirement in December 2007. I reciprocate your feelings and emotions, and wish you all more interesting challenges - take great strides along the path 'Guru' stretches before us.

Dr. Harkirat Kaur Grewal

DR. SEHIJPAL SINGH KHANGURA

B.E. (Mechanical) Panjab University
M.E. (Mechanical) Panjab University
Ph.D. (Non-Conventional Machining)
I.I.T. Roorkee

Principal,
Guru Nanak Dev Engineering College, Ludhiana

Message

I am happy to know that alumni batch 1967-71 is bringing out a souvenir on the eve of its Golden Jubilee Celebration. This batch of students have shown great success in their professional career at national as well as global level. Their contribution to society is remarkable. They have put their best to brighten the name of their alma mater.

I felicitate the students of this batch for taking this initiative of revisiting their alma mater on this memorable occasion. May Almighty bless them with good health and spirits for serving the society with missionary zeal.

With your support and best wishes, I am sure that this great institution will definitely progress to achieve extreme heights and establishing milestones.

Home Coming

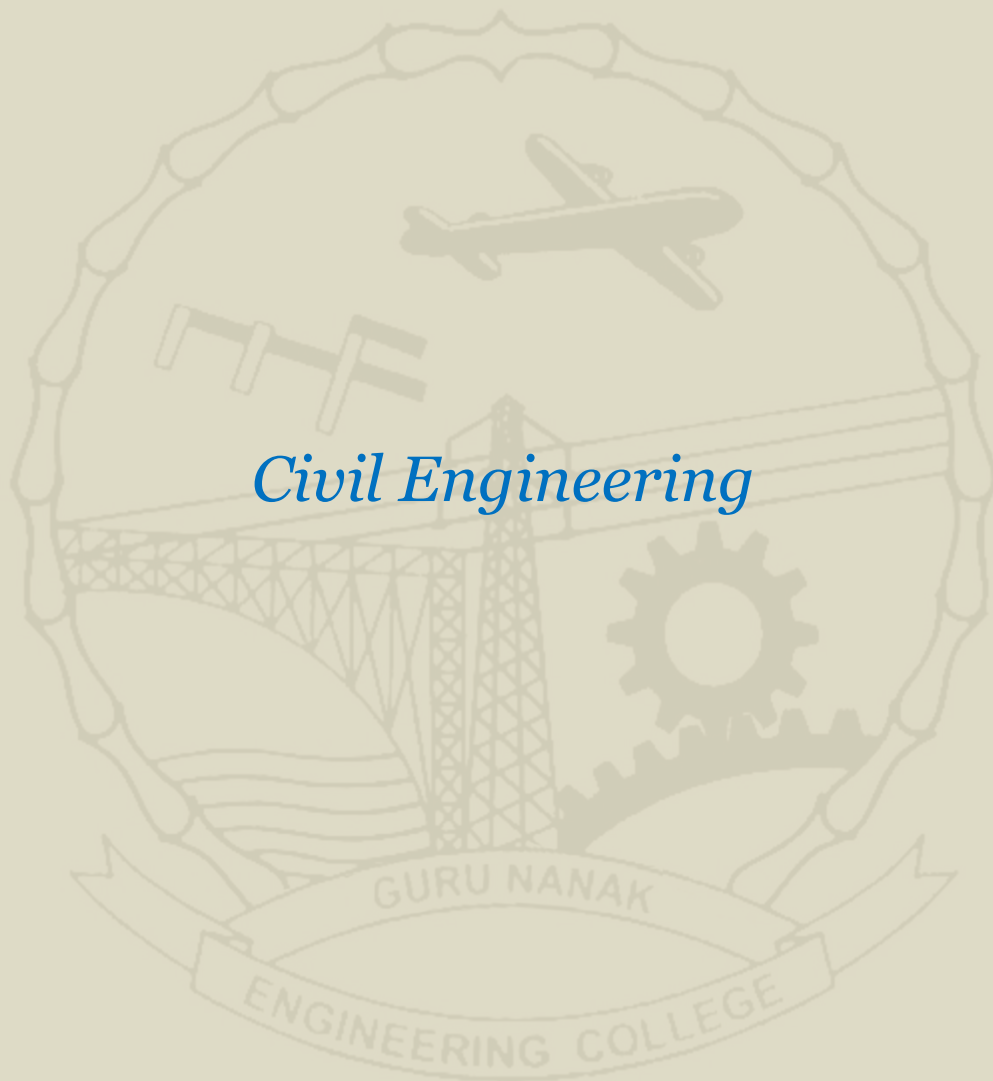

*I shall not and will not ever forget
the making of me 'the engineer'
shaping dreams and setting mindset
to aspire like a visionary scientist
teaching duties in life and profession
to hold integrity as a dear passion
guiding like the beacon of light
my alma mater, I revere !*

*To part with friends, in the glide of life
like the flow of rushing streams
preordained by the destiny
taking cues from dreams
through thick and thins
meandering fifty years on the way
streamlets separated but like twins
some rejoined the sea heavenly,
some by 'Karma' one day
may unite once again
at my alma mater, right here !*

Epilogue

After five decades, the class of 1971 came to see their alma mater! The College Gateway, Hallways, the Auditorium, Play Grounds, Canteen, Hostels and Clubs were all there but remodelled; but the memories of those four years came alive and will forever be in our minds. The 1967-71 mist still lingers in the sub-consciousness – the aroma of Desi Ghee in our favourite Rajmah, the refreshing gossip over a glass of Dudh-Patti in the Canteen in the late evenings just before the submission deadlines, peals of laughter over trivialities across the hostel corridors!

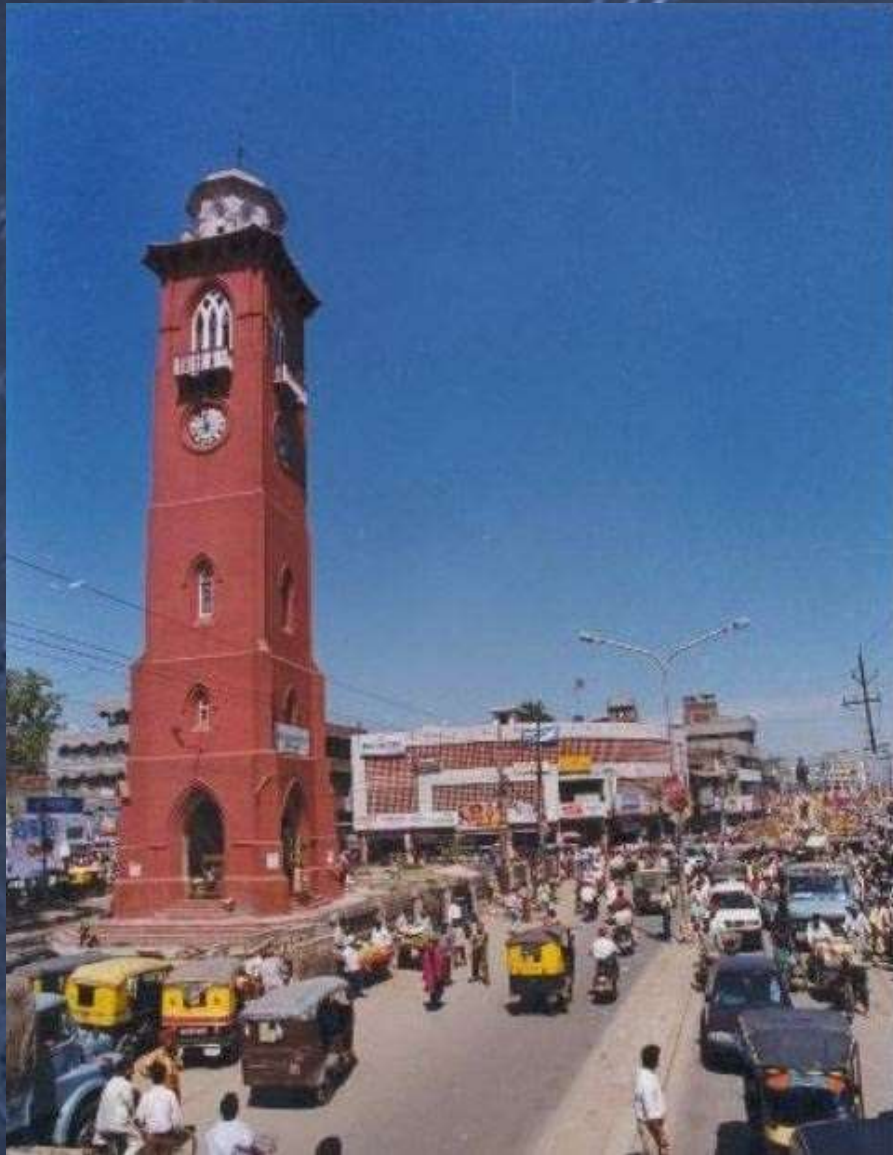

We were an immature lot who landed here to make a career. Our dear learned professors, under fatherly gaze of Principal Tara Singh Ji, moulded us into professional engineers and good human beings. Guru Nanak Engineering College, six and half kilometers south of the iconic Clock Tower at Ludhiana, just across the Sidhwan Canal, is tucked in lush green lawns and trees. This great institution was established 65 years ago in good faith by the Nankana Sahib Education Trust in honour of Guru Nanak Dev Ji. This institution has contributed immensely towards uplifting the society, especially simple rural folks of Punjab & Haryana; and will continue to do so as promised 65 years ago.

On the eve of this Reunion, we miss those of us who left for their heavenly abodes. May God bless their souls with eternal peace! This class of Genco-71 meets and parts away once again to the twilight horizons at home and abroad, bound by the friendship and benign grooming together here at this great institution and cherishes to meet in the future at more frequent times albeit in smaller groups. Thank you GNEC! You made us what we are!!

Rabb Raakha!

Harpreet Singh Sekhon, M-71
